Memo No.- ७५ -5/WPB-S/99((Part-V)

Date: 30/06/2017.

ORDER

In exercise of power conferred under section 17 (2) of the Water (Prevention and Control of Pollution) Act 1974 and under section 17(2) of the Air (Prevention and Control of Pollution) Act 1981, the West Bengal Pollution Control Board (hereinafter referred as the “State Board”) is pleased to recognize the following laboratories for the purposes of environmental monitoring.

The recognition accorded is subject to the terms and conditions as stated in this order are solely for specific analysis/test of specific samples.

The validity of recognition of the following laboratories is being extended for a period of six months (w.e.f. 1st July 2017 to 31st December 2017) for the parameters as tabulated below:

The recognition may be revoked, withdrawn or suspended apart from invoking other legal proceedings under extant laws in case of violation of the following terms & conditions:

- a) Any change of address or change of laboratory facilities should be informed to the State Board within fifteen (15) days of closure of activity at the address at which recognition is awarded.
- b) Information on any kinship or any relation of any laboratory owner with any Board employee must be disclosed to the State Board.
- c) If it is found that the concerned laboratory is not equipped with proper facilities and infrastructure to execute the test/analysis.
- d) In case of any other activity unlawful under the law of the land, recognition may also be withdrawn.

This order has been issued as per the approval of competent authority.
